Rev. James H. George, Jr., was in Norwich Monday, attending a clerical meeting. George F. Stoddard of New London was a visitor with friends here Monday. Judge A. G. Bill was in Willimantic Monday, representing clients in the superior court.

Secured Two Coons.

James Kent, Elmville, with a Putnam party, secured two coons in Ashford woods. One of the coons weighed 19 1/2 pounds, the other 12 1/2. Mr. Kent has been in at the death of 14 coons this season.

Mr. and Mrs. W. W. Bassett, who have been spending two weeks with relatives here have returned to Providence.

Mr. and Mrs. William Young and Mr. and Mrs. Louis Young have returned from a stay at Oakland beach. John A. Donohue of Providence was a visitor with friends in Danielson Monday.

Trial for Arson Today.

Attorney Frank E. Howarth and Lindsey H. Cain, charged with arson, will be taken from the jail at Brooklyn today in automobiles to Willimantic, where their trial is to commence.

Teachers in Killingly schools will be in Putnam Saturday for the teachers' institute to be held at the Israel Putnam school under the auspices of the state board of education.

Plans are being made for the erection of a two story flat on Franklin street, nearly opposite St. James' parochial school.

Windham county deputy game wardens were out in the woods Sunday looking for violators of the game laws. They went on the job early in the morning and remained until late. No arrests were reported on Monday, however.

Builders Rushed.

Though it is getting late in the season, building contractors are rushed in Danielson, where there is a building boom on at the present time. Dwelling houses are going up in numbers. One of the newest is located on the Elmville road and is for Charles Myers.

The last of the set of six houses being built by William S. Brown is the Danielson Cotton company on Water street was raised Monday. Some of the other dwellings are plastered and will be ready for occupancy within a few weeks.

On account of the absence of William of Prosecuting Attorney A. G. Bill the adjourned hearing in the case of Everett Washburn of Plainfield, out under \$5,000 bonds, was again continued from Monday.

It now seems quite certain that the breaking into cottages at Alexander's lake was the work of other persons than the three young men bound over to the superior court for breaking into the store of McLaughlin and French at East Killingly. Officers continue their investigations as to the other breaks.

FUNERAL.

Miss Margaret Kelley.

The body of Margaret Kelley was brought here from Providence Monday for burial in the family lot in St. James' cemetery. The deceased was a daughter of the late Mr. and Mrs. John Kelley, who lived for years on the place now occupied by Selectman E. H. Kimball on the Green Hollow road. Miss Kelley is survived by two sisters, Mary and Ella, of Providence. A. F. Wood was in charge of the funeral arrangements here.

To Conduct Officers' School.

Capt. M. P. Andrews of Norwich, inspector-instructor of the C. A. C., will make the first of his bi-monthly visits to Danielson to conduct a school for officers of the Thirtieth company on Tuesday of next week.

Sunday's reliability run for motorcyclists, the first of its kind to be run off in this section of the state, created lively interest among followers of the sport and nearly as much among usually disinterested persons.

At a regular meeting of Rose of Lima council, K. of C. held Sunday afternoon, plans for the ensuing year were discussed.

Mrs. John A. Paine had the members of the Ladies' Reading circle at her home for a meeting Monday afternoon.

Officers of Cemetery Association.

FIRE ESCAPES REQUIRED

For Schools at Dayville, Attawaugan and East Killingly.

At a meeting of the town school committee Monday afternoon the matter of placing fire escapes on the schools at Dayville, Attawaugan and East Killingly was discussed. The escapes must be provided in compliance with an order of the state board of education and at once. Damase Boullas, J. N. Tucker and Hector McConnell were appointed a committee to investigate and to get estimates, which will probably be secured during the present week.

The committee voted that Supervisor Albert S. Ames be ordered to issue a notice for fire drills in all of the two story school buildings in Killingly. Fire drills at the Danielson school have been conducted for years.

K. H. S. Basketball Schedule.

The following is the schedule of the Killingly High school team in the basketball league made up of school teams in eastern Windham county towns: Dec. 5, Plainfield at Danielson; Dec. 12, Tourtelotte at North Grosvenordale; Dec. 19, Putnam at Danielson; Jan. 3, Plainfield at Danielson; Jan. 10, Tourtelotte at Danielson; Jan. 17, Putnam at Putnam. On account of the change in the makeup of the league there has been a change in the arrangement for playing the games, so more may be scheduled later, if not in the league then with outside teams.

Members of Maanex lodge, I. O. O. F. of Webster, are to be guests of the members of Israel Putnam lodge of this city at the working of the first degree this (Tuesday) evening. The local lodge will serve an oyster supper in connection with the event.

It was said Monday that all of the street improvement work in the business section of the city will be completed before real cold weather sets in, which probably means by the end of this month. The work is well advanced.

A Four Team League.

Because of the fact that Webster and Oxford high schools will not be represented in the High School league, the four eastern Connecticut high school teams will play through a schedule of a four team league. The Massachusetts teams dropped out because they were unable to secure halls in which to play games.

Will Probably Be Renominated.

On Monday there seemed to be no opposition to the election of any of the present democratic members of the common council of Putnam—J. Harry Mann of the First ward, Ernest L. Davis of the Second ward, Regis Boutelle of the Third, and Dr. Omar Larue of the Fourth. It is probable that

All turkeys that are eligible for competition will be purchased at the market price, so any turkey raiser who enters a bird in the contest is sure of selling the bird whether a prize is won or not.

State Officers Coming.
Washington council, U. O. A. M., will have a meeting this evening in their hall on Front street at which time the state officers will be entertained. At the conclusion of the meeting an oyster supper will be served.

Inspectors Withey and Stewart of New London inspected the ferry boat Gov. Winthrop which is hauled out at the shipyard. Besides a general overhauling new guard logs will be put in.

Witnesses Summoned for Arson Trial.
All of the witnesses that have been summoned in the Howarth-Cain cases will leave for Willimantic this (Tuesday) morning, when the trial will commence in the superior court. The trial was one of the chief subjects for discussion in the city Monday, and after listening to much of it the decision to try the cases in Willimantic seemed justified. There is extraordinary interest in the case here, and those who do not go down to Willimantic, where quite a few have planned to go, will read the newspaper accounts of the trial with avidity.

Drying Out New Vaults.
The regular meeting of the selectmen was held at the municipal building on Monday afternoon. Routine business was transacted. A heater has been placed in the newly built vaults in the building, that they may be dried out. Until the vaults are sufficiently dried out to protect the records of the town from dampness, Town Clerk David Flagg will continue to keep his records in his present quarters, though he was intending to move early this month. It is not thought there will be any difficulty in drying the vaults, which contain a great quantity of concrete work that requires considerable time to dry under ordinary conditions.

Refined Musical Act.
Burns and Burns, young sisters, showed a refined musical act at the Irish theater Monday. They are pleasing vocalists and musicians and were well received.

Price of License \$450.
This is the day that the licensed dealers of the city pay an annual visit to the county commissioners, who will be in session here and receive their licenses for another year. The price is \$450 each and the great percentage of this money is turned over to the town of Putnam.

Make This and Try It for Coughs
This Home-Made Remedy has no Equal for Prompt Results.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents a quart) in a pint bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.

This simple remedy takes hold of a cough more quickly than anything else you ever used. Usually, conquers an ordinary cough inside of 24 hours. Splendid, too, for whooping cough, spasmodic croup and bronchitis. It stimulates the appetite and is slightly laxative, which helps end a cough.

This makes more and better cough syrup than you could buy ready made for \$2.50. It keeps perfectly and tastes pleasant.

Pinex is a most valuable concentrated compound of Norway white pine extract and is rich in gualacal and other natural pine elements which are so healing to the membranes. Other preparations will not work in this plan.

Making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful mixture has never been equalled.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

TIRED OF SEEING

HER SUFFER

Procured Lydia E. Pinkham's Vegetable Compound, which made His Wife a Well Woman.

Middletown, Pa.—"I had headache, backache and such awful bearing down pains that I could not be on my feet at times and I had organic inflammation so badly that I was not able to do my work. I could not get a good meal for my husband and one child. My neighbors said they thought my suffering was terrible.

"My husband got tired of seeing me suffer and one night went to the drug store and got me a bottle of Lydia E. Pinkham's Vegetable Compound and told me I must take it. I can't tell you all I suffered and I can't tell you all that your medicine has done for me. I was greatly benefited from the first and it has made me a well woman. I can do all my housework and even helped some of my friends as well. I think it is a wonderful help to all suffering women. I have got several to take it after seeing what it has done for me."—Mrs. EMMA ESPENSHADE, 219 East Main St., Middletown, Pa.

The Pinkham record is a proud and honorable one. It is a record of constant victory over the obstinate ills of woman—ills that deal out despair. It is an established fact that Lydia E. Pinkham's Vegetable Compound has restored health to thousands of such suffering women. Why don't you try it if you need such a medicine?

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
